

## **UnV Management Consultants Private Limited**

**EXECUTIVE SUMMARY** - UnV consulting is a growing accounting and management consultancy firm

**INTRODUCTION** - UnV consulting offer services across multiple cities and have large clientele across south India to large and medium organisations

**THE BUSINESS** - With staff in Bangalore and Coimbatore and few at customer site they provide efficient management and accounting consultancies. They are blessed with a team of professionals with a combined hundreds of years' experience

**THE CHALLENGE** - Staff across various grades and interns are located in various client locations and at their own offices in two locations. It was not an easy task with traditional methods of attendance and time management.

**FINDING A SOLUTION** - As an organisation poised for growth it was imperative for them stream line their HR department and it was easier now than later. Zoho people was suggested and accepted for a start.

**IMPLEMENTATION & RESULTS** - Zoho people was implemented in total with their main focus on attendance and time sheet management. Standard corporate policies were put in place according to current industry standards. An effective implementation and subsequent training sessions has ensured compliance and user acceptance.
